## PRO. SKILLS

---

### Objective:

Emerging Architect with experience in project management and specialization in 3D modeling and rendering. Actively working on the first ARE Exam for my Architectural License.

## EDUCATION

---

**Master of Architecture** 2021 – 2023  
The University of Texas at Arlington, College of Architecture, Planning and Public Affairs

**Bachelor of Science in Architecture** 2021 – 2017  
The University of Texas at Arlington, College of Architecture, Planning and Public Affairs

**Associate of Arts** 2010 – 2015  
Tarrant County College

## EXPERIENCE

---

**Exurb Studio | Southlake** 2019–Present  
**Renderings + Visualizations**  
Developing 3D models on Rhino utilizing floor plans created on AutoCad or Revit. Creating custom materials and landscape designs. Rendering models using Lumion and post-processing the images on Photoshop. Preparing final images to provide a clear narrative of the design intent.

**JHP Architects | Dallas** 2022–2023  
**Intern**  
Working in collaboration with a design team creating schematic designs for multi-use family housing and ensuring design development based on client meetings. Producing colored site plans, colored elevations, and renderings. Also researching codes for the beginning of a project.

**University of Texas Arlington, CAPP | Arlington** 2022–2023  
**Teacher's Research Assistant**  
Gathering information by researching energy efficiency in typical U.S. homes and translating the data into comprehensive visuals and a motion presentation for the purpose of running workshops to educate the public in living sustainably. Research possible by the Giesel Grant.

**MJW Architects | Hurst** 2019 – 2022  
**Project Manager + Graphics**  
Revising projects and preparing sets for CDs. Designing brochures for client presentations. Developing preliminary floor plans on paper and CAD. Attending client and contractor meetings. Adjusting floor plans based on client requests while ensuring the design stays in accordance with the budget. Maintaining contact with all parties until the design is finalized. Creating CDs for submittal to the city or MEP.

**Getsemani Baptist Church | Fort Worth** 2012 – 2021  
**Graphic Visuals**  
Creating original graphics for bulletins and screens. Creating custom motion graphics on ProPresenter for each week's sermon and per event basis. Organizing and controlling screens during events. Also, in charge of bulletins and announcement graphics.
